

PROVIDENCE SCHOOL
OF JACKSONVILLE, INC.
ANNUAL REPORT ON
GIVING
2007-2008

A Message from the Headmaster

Dear Friends,

On behalf of Providence School of Jacksonville, I am pleased to present the 2007-2008 Honor Roll of Donors. I would like to express our heartfelt appreciation for your support. On these pages, we recognize the generosity of those who share a commitment to the goal of this school: to prepare students with the skills needed to become productive and responsible citizens in the twenty-first century. We hope to instill in students an awareness and appreciation of intellectual, aesthetic and moral excellence.

We greatly appreciate the support for the Providence School from alumni, parents, friends, faculty, staff, businesses and foundations. Your support creates an enhanced experience for our students and faculty, ensuring that the highest levels of academic success are realized.

Private support is crucial to the advancement of Providence. Providence School will continue to influence generations to come through its vision and dedication to the values that our founders established. My thanks to all who are listed, for their support. Your gifts signify your belief in the value of the Providence educational experience. Your generosity also underscores a commitment to nurturing talent and developing future leaders. Your continuing support enables our students to seize opportunities to discover their strengths, pursue their passions and realize their potential.

This year, we have chosen to publish our donor listing online. We hope that you will agree with our effort to be good stewards of our monetary gifts and natural resources by conserving paper and eliminating associated mailing costs for this publication.

Thank you for making a difference in our students' lives. I hope you will continue to invest in our students' futures by supporting Providence with your prayers, your presence, your gifts and your service.

Sincerely,

A handwritten signature in black ink that reads "Don R. Barfield". The signature is written in a cursive, flowing style.
