

Directions for Applying for Florida Bright Futures

1. Go to <http://www.floridastudentfinancialaid.org>.
2. Click on “State Grants, Scholarships, and Applications”
3. Click on “Student Application” (on the left hand side of the page under the Application Quick Links heading).
3. Click on “Proceed to Application” at the bottom of the page.
4. You will then complete the application. A few helpful hints:

MAKE SURE that your social security # is correct. This is one of the most common mistakes that a student makes and it could mean that you don't get your scholarship funds.

Make your best guess on your high school GPA. We have to send official records anyway. Put at least a 2.75 even if your GPA isn't there yet, otherwise your application isn't looked at.

Be very careful when answering the questions, especially regarding whether you have committed a felony.

Print out your application for your records.

If you have any trouble, come to the Guidance office. We are happy to help!
