Graduation Requirements Checklist: Check this against the graduation requirements to make sure that you are not missing anything! You should also check your graduation requirements with your schedule in this packet to make sure there are no problems. CONTACT THE COUNSELING DEPARTMENT IMMEDIATELY IF YOU THINK THAT THERE MIGHT BE A PROBLEM.

College Counseling Survey for Students: This helps us or others develop a letter of recommendation about you. This information is important to us as we present you to your potential schools. We will not complete a recommendation without this completed packet.

College Counseling Survey for Parents: Parent feedback is very helpful to us as we help you complete your applications and write recommendations. Please have your parent complete this and return it with your questionnaire. This is optional, but very helpful.
