Providence School College Counseling

Class of 2012

Student College Counseling Survey:

1. List the extra-curricular activities you have been involved in and which school years you participated in them.

2. What activities were most important to you? Why?

3. What two or three (academic or personal) accomplishments are you most proud of? Why?

4. Describe situations where you have been a leader.

Providence School College Counseling

5. List four teachers or staff members who know you well and who can speak confidently about your academic ability. What adjective do you think these adults would use to describe you? Why?

6. What would your favorite teacher say is an area that is difficult for you? (Examples: has trouble getting started, not always consistent, etc)

7. What would your friends say are your three best qualities?

8. What do you hope to accomplish in college and after? (Career/broader goals)
