

# Providence School College Counseling

Class of  
2011

June 2010

Dear Seniors,

The most important year of your educational career is finally here! It's hard to believe that in a few short months you will be off to conquer the world of college. Providence School is proud to have been part of your educational triumphs and we expect no less than the best from you this year.

To make sure that everything goes smoothly and that we are able to quickly respond to your transcript and recommendation letter requests, we need your assistance in your timely completion of the documents in the senior college counseling packet. The packet is available online at [www.prov.org](http://www.prov.org) under guidance. Please return the required forms to Mrs. Wilkes as soon as you can but no later than the first week you are back in school. **If you do not return these forms, we will not be able to send transcript requests OR write recommendation letters.**

Please read through this packet carefully. It has been put together with much love and with anticipation of what things you may need to survive your senior year. Please know that we love each of you and look forward to helping you navigate your way toward college and your future. Some helpful websites for the college search are: [www.collegeboard.com](http://www.collegeboard.com) and [www.princetonreview.com](http://www.princetonreview.com). Both websites will allow you to do customized college searching according to your personal preferences. In addition, don't forget to register with the scholarship site [www.fastweb.com](http://www.fastweb.com) in order to have scholarships that match your individual qualifications emailed to you. Additional scholarship links can also be found on the Providence website [www.prov.org](http://www.prov.org) under guidance.

Note that though your schedule is enclosed, Providence may experience changes that necessitate our making changes in the master schedule. ***We will make every effort to keep your schedule the same but plan to pick up a final copy during open house or the first day of school. Please check your schedule CAREFULLY and let us know of any problems immediately.***

Expect to see us a great deal for the coming year. We will be meeting with you and your peers as a class often, as well as our individual meetings throughout the year so we may work together on your college application process. We hope that our time together will be both helpful and productive.

Let us know if we can help you in any way. Our door is always open!

Sincerely,  
The College Counseling Department

Kim Wilkins: Assistant Principal of School Counseling  
Kelly Johnson: College Counselor x2121  
Leah Wilkes: Administrative Assistant x2116
