

JUMP 4 JOY partners with Providence to help give back to our school. Each rental contract by a Providence Family results in 5% of the rental fee given back to us via their “Bounce Back Bucks” program.

Serving Jacksonville FL and surrounding communities.

Ask about the “**Bounce Back Bucks**” School Fundraising Program

Bounce Back Bucks

**Have fun
and help
your
school!**

The **Bounce Back Bucks** program was created as a year-round fundraising program, in order to support the schools and ensure the continuation of quality education for our children. We are a family-owned and operated business located in Jacksonville, Florida. We are proud of our local private and public schools! Jump 4 Joy is honored to do our part in supporting them.

The **Bounce Back Bucks Program** is easy. When you rent a **Jump 4 Joy** inflatable for your next party, tell us what school you go to and we will send your school 5% of your rental fee. In addition, at the end of the school year the school with the most funds raised gets a **Jump 4 Joy** party on us! Everyone wins!
