

Hello Parents! Thank you for supporting Providence School PTP Passive Fundraising by clipping and saving the following items – a dress down day/pizza party will be given twice a year for the lower school homeroom class that turns in the most items, but **middle and upper school families are welcome to participate!** If you are in lower school, you may send in your items all year long to your homeroom teacher **labeled with the teacher's name on the outside.** If you are in middle or upper school, you can turn in your labels to the lower or upper school office at any time. **Unfortunately, we are no longer accepting Nestle Pure Life Go Play labels since Nestle has discontinued that program,** but listed below are the Passive Fundraising programs that Providence School PTP participates in:

**BOXTOPS FOR EDUCATION** - Box tops are all over your favorite grocery and household products. Some of the most popular brands are General Mills, Pillsbury, Betty Crocker, Kleenex, Huggies, and Old El Paso, but there are more! There is a complete list of participating products under Passive Fundraising on the PTP webpage or you can log onto [www.boxtops4education.com](http://www.boxtops4education.com) for more information.

**CAMPBELL'S LABELS FOR EDUCATION** – Besides finding these on all Campbell's soup products, you can also find them on Swanson, Pepperidge Farm, Pop Secret, and V8 products. **PLEASE SEND IN UPC'S ONLY** rather than the entire label as in years past since Campbell's has changed their collection guidelines. Also, save and send in the CAPS ONLY from all V8 drinks. For a complete list of participating products, please refer to Passive Fundraising on the PTP webpage or log onto [www.labelsforeducation.com](http://www.labelsforeducation.com).

**MY COKE REWARDS FOR SCHOOLS** - Turn in coke bottle caps and the codes found inside empty coke cartons since each cap/code can be used to redeem free merchandise for our school! Or if you are particularly industrious, you can log onto [www.mycokerewards.com/schools](http://www.mycokerewards.com/schools) and enter the codes yourself under Providence School.

**TYSON PROJECT A+ LABELS** - Save the top tear-off label from most frozen Tyson chicken products. Each one of these is worth 24 CENTS for our school!

Although most of these are elementary school programs, since we have the benefit of being a K thru 12<sup>th</sup> grade school, anyone is welcome to participate! So start saving and sending in these items to your homeroom teacher (lower school) or to either school office as often as you like all year long!

For any questions, please contact Michelle King, PTP Passive Fundraising, at [MM\\_King@att.net](mailto:MM_King@att.net) or 230-1440.

Thank you for supporting Providence!
