

PROVIDENCE SCHOOL

Boldly Christian. Unquestionably Academic.

Dear Providence Families:

Welcome to the 2017-2018 school year at Providence School. As we greet returning families and new families, we know that the coming year is full of opportunities for learning and growing in all areas of school life. We are eager to move forward in partnership with you to help each student reach his/her greatest potential.

Our theme for the new school year is, "Build Each Other Up". In 1 Thessalonians 5:11 it states, "Therefore encourage one another and build each other up, just as in fact you are doing". Our desire is that all of us will be dedicated to helping each other fulfill the plan God has for us.

Once again, we are happy to welcome back all the returning Providence families and give a special welcome to all of the new families who have joined this year. I pray that this new school year is nothing short of incredible.

Sincerely,

Don Barfield
Head of School
