2022 SUMMER READING & MATH REQUIREMENTS

ENTERING 1ST – 5TH GRADE

REQUIRED SUMMER READING

Please choose ***at least*** one book on your reading level to read over the summer. Once completed, please fill out **the online form in the Super Stallions Summer Reading Challenge** (see below for details). *Recommendations by grade level are on the next page.* Please note that these are recommendations to get you started; please choose books that are just right for you based on readability and interest. The more books you read, the more prizes you will earn the first week back at school!

If you choose to order books from Amazon, please consider using this link: <https://www.prov.org/support/amazon-smile>

REQUIRED SUMMER MATH

Students who have not yet reached 100% fact fluency in Reflex Math are expected to work through the program at their own pace through the summer. Students are encouraged to work until they receive a “green light” in each session. Once you have reached 100% fact fluency, please email Mrs. Mills: dmills@prov.org

SUPER STALLIONS SUMMER READING CHALLENGE GUIDELINES
