# FOOD DRIVE

**LET'S HELP THOSE IN NEED**

The Providence Anchor Club is once again joining together to rally our school to give abundantly for needy families right here in Jacksonville. We will be collecting specific food items based on grade level. These food items will help restock the New Life Food Pantry, which plays an important role in feeding hungry neighbors year round, but especially during the holiday season. The Food drive will begin officially on October 10 and end on October 27. The class who participates the most (Lower, Middle, High) will receive a dress down day on November 1st as a "thank you" for such excellent participation.

- You may bring items in ANY DAY during the two-week window and leave them with your homeroom or first-period teacher.
- Students are to leave the items in their homeroom or first period class until chapel days (Thursdays, Upper school and Fridays, lower school) when they will be brought to the sanctuary for a blessing and tally. Lower School will bring their items over to the sanctuary at their scheduled chapel times.
- As always, items will be counted and the grade that contributes the most of their assigned items will receive a dress-down day on Wednesday, November 1. (Lower, middle, high will each have a winning grade.)
