

Class of 2024

Each senior will need to submit a baby picture for the Baby page. It can be any pose from birth to two years of age. The picture can either be a professional or just from your camera around the house.

If your senior has been with Providence since Preschool/Kindergarten (and never left), we will need a Kindergarten graduation picture AND their Kindergarten school photo for the Lifer page as well as any pictures from the classrooms or around school.

Photo Submission Guidelines:

- ✚ Please submit Baby and Lifer pictures in a clearly-marked envelope with a **STUDENT'S NAME** (No originals please).
- ✚ Flash Drive with all .jpg images
 - Please ensure that the drive/disc is EMPTY of all other content before submitting
- ✚ It is strongly recommended that photos have a resolution of at least 300 dpi. If you have old pictures that are not on your computer in digital form, download TurboScan on your smart phone. Once you scan your image, the file is a PDF and can be emailed to me to **proveyearbook@gmail.com**
- ✚ Please bring to Mrs. Parker in Room A206

Baby & Lifer Pictures are due September 29th
