TI-Nspire CX CAS II Graphing Calculator

Students in grades 8-12 (and all students in Algebra I, including 7th grade) will need a TI-Nspire CX CAS II Graphing Calculator for their math classes and certain science classes. The calculator package will include a charger, student software and a 3-year warranty on factory defects or damage from classroom use. Ultimately, this calculator will be used at the college level as well. Please click link below to order.
