Merry Christmas!

Directing this choir is one of the greatest joys of my year, and I'm so grateful for our students and their hearts for music. I'm also thankful for their hard work, dedication, laughter, patience, and the beautiful music we've created together.

May this season bring you peace, joy, and time with the people you love. And may we all remember the true meaning of Christmas this

year, the birth of our Savior! Enjoy this evening's performance and have a very blessed Christmas and New Year!
