

THIS IS *Your* SAF

This is not **THE** SAF,
it's **YOUR** SAF...
and it really is for
ALL of us!

Investing In All Areas
YOUR Family Is
Passionate About!

What does "Participation"
look like?

Providence families make a powerful impact through the Stallion Annual Fund. When you make your SAF gift, you can direct your support to the areas that matter most to your family:

- **Academics, Resources, and School Counseling**
- **Missions, Servant Leadership & Retreats**
- **Arts**
- **Athletics**
- **Faculty Development, Recruitment, and Retention**
- **Our Providence Preschool**
- **Greatest Immediate Needs of Providence**

No matter which area you choose to support, the most important thing is that every Providence family participates in this tradition of annual giving. The SAF supports people, strengthens programs, and enhances spaces across Providence, making it our yearly opportunity to invest in the school's most critical needs.

Your SAF gift benefits every student and teacher on both campuses. Giving supports seven critical areas and allows flexibility to accomplish school-wide priorities each year—which is why participation from every family matters.

We encourage you to give to other funds, events, and programs that are meaningful to your family throughout the year. However, we ask each family to first participate in the Stallion Annual Fund, ensuring key priorities across all seven areas are met.

Every gift, regardless of amount, enhances the Providence experience and is an investment in our mission. Participation from every family is what matters most, and the areas supported by the SAF rely on consistent annual support to be sustained.

If you are looking for a place to start, this 30th anniversary year is a great opportunity to consider a one-time gift in celebration. A gift of \$300 or monthly giving of \$30 adds up to make a meaningful impact on our teachers and students.

We also encourage you to check if your company offers matching gifts, which can double the impact of your support.

ONE LEGACY... *investing in what lasts.*

Weekly Surprises!

Throughout the three weeks of SAF, keep an eye on your email & social media!

Within our weekly surprises we will feature fan favorite prizes and some new opportunities, all for randomly selected families who participate. We look forward to honoring your giving!

Don't wait to participate! If you make your gift before 9/23/26, you'll be eligible for all qualifying prizes. Be sure to give early to have more chances to win.

3 Weeks Only!

9.17.26 - 10.8.26

Don't Delay, Give Today!

Parents, grandparents, alumni, faculty and staff, and business partners come together over three weeks to make gifts that enhance classroom learning, support arts and athletics, strengthen health and safety, and meet the needs of our teachers and students. This tradition of giving is foundational to Providence, and every family's participation plays a role in bringing our mission to life.

We count on every Stallion family to take part in this special tradition of giving. Together, each gift, at every level, adds up, creating a collective impact that fuels a full year of excellence.

**What are my
next steps?**

- Keep an eye on your email for more information about the 2026 SAF Campaign.
- Consider which of the 7 SAF areas your family will support this year.
- Pray over the blessing of these gifts to Providence.
- Make a gift to the 2026 SAF before it ends on October 8th.
- Share the opportunity—invite grandparents or other family members to make a gift celebrating our special school.
